

#challenge30

We're standing up for lung health!

CHALLENGE 30

Team name

Challenge

Our goal

\$100

connects people living with lung disease and lung cancer to a peer support program.

\$500

connects people living with a lung disease or lung cancer with vital support services and programs through our 1800 line.

\$1000

a day keeps our nurse-led services running, supporting and guiding vulnerable people living with lung disease and lung cancer.

\$5000

helps fund Australia's best and brightest scientists and researchers to undertake life-changing research.
